Always Looking For Great People...

Position: Data Analysts (Trainee)

Department: Data Analysis

Location: Lucknow

AMS (www.amsindia.org) is offering research-based consulting services to various Govt. departments and international agencies (**World Bank, Unicef, UNDP, WFP, etc.**). Our major areas of work include Public Health, Nutrition, Water & Sanitation, Women & Child Development, Education, Capacity Building, Livelihood, and Rural Development.

To strengthen our **Data Analysis Unit**, we require:

Data Analysts (Trainee)

The individuals shall be provided training for conducting data analysis through statistical tools. After the completion of training period, they should be able to perform the following job responsibilities:

- Conducting data analysis using statistical tools & techniques
- Writing **SPSS programs / syntax** and generate Field-check tables
- Ensuring submission of error free data within the stipulated timeline

Eligibility

- PG in Economics / Statistics / Mathematics / MBA
- Excellent academic scores with good knowledge of English
- Basic knowledge of **SPSS** for data analysis

Remuneration: Rs. 30,000/- per month

It is a full time regular position. Initially, the individual will be hired on a probationary basis. After successful completion of the probation period, the candidate would be absorbed by the organization with benefits, such as, Provident Fund, Health Insurance, etc.

How to Apply

Interested candidates may please mail their detailed CV along with a recent photograph by **30th April (Monday), 2018** to hrd@amsindia.org mentioning "**Data Analysts (Trainee)**" in the subject line.

☞ **Only short listed candidates shall be notified by us.**
